26 October 2012

To the holders of Ordinary Shares and for information only, to holders of Options and Warrants

Dear Shareholder,

Notice of Extraordinary General Meeting
and
Placing of 228,563,843 Ordinary Shares at £0.05 per share

1. INTRODUCTION

The Company announced on 25 October 2012 that it proposes to raise approximately US$17.25 million (before expenses) by way of a conditional placing of 216,052,348 new Ordinary Shares at a price of £0.05 per share. The Institutional Placing is being arranged by Davy and Canaccord Genuity. The net proceeds of the Institutional Placing will be used to complete the Arbuzovskoye pilot development programme and to repay a portion of the Macquarie borrowing base loan facility.

The Institutional Placing is being made in two tranches. The First Tranche of the Institutional Placing consists of a placing of 41,635,643 First Tranche Shares for cash at a price of £0.05 each, conditional only on admission of such Ordinary Shares to trading on AIM and ESM, which is expected to occur on 30 October 2012. The First Tranche Shares will be allotted pursuant to the existing authority granted to the Directors by Shareholders at the Company’s annual general meeting held on 19 September 2012. This authority empowered the Directors to allot equity securities of the Company equal to 10 per cent. of the issued share capital of the Company from time to time without being required to offer those equity securities on a pre-emptive basis pursuant to section 23 of the Companies (Amendment) Act 1983.

The Second Tranche of the Institutional Placing consists of a conditional placing of 174,416,705 Second Tranche Shares for cash at a price of £0.05 each, conditional upon receiving shareholder approval of Resolution 1 at the Extraordinary General Meeting of the Company, on admission of such Ordinary Shares to trading on AIM and ESM and the terms of the Placing Agreement between the Company and the Joint brokers. Subject to the passing of Resolution 1, it is expected that admission will occur and that dealings in the Second Tranche Shares and Macquarie Shares will commence on AIM and ESM on or around 20 November 2012.

Further information on the Institutional Placing, the intended use of the proceeds thereof and details of the Resolutions authorising the Directors to allot, inter alia, the Second Tranche Shares and Macquarie Shares is set out below. Notice of the EGM, at which the Resolutions will be proposed and voted on, is set out on page 10 of this document.

2. LICENCE 61 – ARBUZOVSKOYE PILOT DEVELOPMENT PROGRAMME

As announced on 22 October 2012, Arbuzovskoye well 102, the second of ten planned new production wells on the Arbuzovskoye oil field, was successfully completed and brought into production at an initial rate of 540 bopd with less than 2% water cut. This production rate was well above the Company’s target rate and further confirms the excellent continuity and good reservoir properties in the eastern portion of the Arbuzovskoye field.

Development will continue with a further eight new production wells planned for the current development programme. Arbuzovskoye well 109, the next well in the drilling sequence, is currently drilling ahead. It is anticipated that the
completion of 2012-2013 Arbusovskoye development programme will be funded from operating cashflows and a portion of the proceeds of the Institutional Placing.

Arbusovskoye contains 2P reserves in excess of 13 million barrels of oil according to independent reserve auditors Ryder Scott and is the Company’s second production development.

3. **MACQUARIE DEBT FACILITY**

The Company and Macquarie have agreed to amend the Company’s existing US$30 million borrowing base loan facility. The amendments to the facility include the repayment of US$7.5 million from the proceeds of the Institutional Placing, the repayment of a further US$9.1 million in fourteen monthly instalments ($650,000 per month) beginning on 31 March 2013 and the conversion of US$1 million of debt into 12,511,495 Ordinary Shares in the Company at the placing price of £0.05 per share. In addition, production covenants will be removed and Macquarie will waive the right to seek additional repayments of the outstanding balance at the next three reviews which were due to take place on 31 December 2012, 30 June 2013 and 31 December 2013. Macquarie will continue to hold US$4 million in a Debt Service Reserve Account (“DSRA”) until the maturity of the loan. The final outstanding balance of US$12.4 million (US$8.4 million net of the DSRA) will be repaid in a lump sum at the maturity of the facility in May 2014. These proposed amendments and the conversion are subject to, amongst other things, the preparation and execution of formal documentation, and the completion of the Institutional Placing. The amended facility will be subject to certain financial covenants and lender approvals for the application of certain funds typical of a facility of this nature.

In May 2012, PetroNeft entered into a three year loan facility for US$15 million with its partner Arawak Energy. This loan facility will be unaffected by the above amendments.

4. **CORPORATE DEVELOPMENT**

Positioning the Company so that it can fully exploit the opportunities available to it is of crucial importance. To this end, the Company continues in active discussions with a number of parties about possible farm-outs which, in the long term, should strengthen the Company’s financial position and position the Company to extract value from its reserve base and to pursue opportunities.

5. **USE OF PROCEEDS**

The gross proceeds of the Institutional Placing will be approximately US$17.25 million before expenses. US$7.5 million will be used in part repayment of the existing Macquarie loan facility with the balance to be used to finance the continuation of the 2012-2013 Arbusovskoye development programme, working capital and transaction costs.

6. **DETAILS OF THE INSTITUTIONAL PLACING**

The First Tranche comprises a placing of 41,635,643 Ordinary Shares with new and existing institutional investors for cash at a price of £0.05 per share, conditional only on Admission and the terms of the Placing Agreement between the Company and the Joint brokers. These First Tranche Shares have been allotted pursuant to the existing pre-emption disapplication authority granted to the Directors by shareholders at the Company’s annual general meeting held on 19 September 2012. It is expected that dealings in the First Tranche Shares will commence on AIM and ESM on 30 October 2012.

The allotment and issue of the Second Tranche Shares and Macquarie Shares for cash at a price of £0.05 per share, is conditional upon the passing of Resolution 1 at the EGM, on Admission and the terms of the Placing Agreement between the Company and the Joint brokers. Subject to receipt of Shareholder approval for Resolution 1, it is expected that dealings in the Second Tranche Shares and Macquarie Shares will commence on AIM and ESM on 20 November 2012. The First Tranche Shares, the Second Tranche Shares and the Macquarie Shares will rank pari passu in all respects with the Existing Issued Share Capital with regard to dividend entitlements, interests and all other rights and obligations attaching to the Ordinary Shares.

7. **EXTRAORDINARY GENERAL MEETING**

An extraordinary general meeting has been convened to be held at the Herbert Park Hotel, Ballsbridge, Dublin 4, Ireland at 11.00 a.m. on 19 November 2012, at which the Resolutions will be proposed.

Resolution 1 will be proposed as a special resolution for the purposes of authorising the Directors to disapply statutory pre-emption rights in respect of the allotment and issue of the Second Tranche Shares and the Macquarie Shares.

Resolution 2 will be proposed as a special resolution for the purposes of authorising the Directors to disapply statutory pre-emption rights in respect of the allotment of equity securities (as defined by Section 23 of the Companies (Amendment) Act, 1983) up to a maximum aggregate nominal value of €644,921. This authority will expire on the earlier
of the date of the next annual general meeting of the Company held after the EGM and close of business on 19 December 2013.

For the purposes of section 24(5) of the Companies (Amendment) Act, 1983 the Directors of the Company state that: (i) their reasons for recommending that Shareholders vote in favour of the Resolutions as stated in this Circular; (ii) the amount to be paid to the Company in respect of the allotment of the Placing Shares and the Macquarie Shares pursuant to the Resolutions is stated in this Circular; and (iii) their justification of that amount is the completion of the Institutional Placing and the issue of the Macquarie Shares described in this Circular.

8. **ACTION TO BE TAKEN**

A Form of Proxy for use by Shareholders at the EGM is enclosed. Whether or not Shareholders intend to be present at the meeting, they are requested to complete and sign the Form of Proxy and return it to the Registrar so as to arrive no later than 48 hours before the fixed time for the EGM. Alternatively, you may appoint a proxy electronically by visiting the website of the Company’s Registrars at www.eproxyappointment.com and following the instructions provided. The appointment of a proxy will not preclude Shareholders from attending the EGM and voting in person should they subsequently wish to do so.

9. **RECOMMENDATION**

The Directors consider the placing of the Second Tranche Shares and the issue of Macquarie Shares, and the further disapplication of statutory pre-emption rights to be in the best interests of the Company and its Shareholders as a whole and accordingly, unanimously recommend that all Shareholders vote in favour of the Resolutions to be proposed, as they have irrevocably committed to do so in respect of their own beneficial holding of 30,521,975 Ordinary Shares, representing approximately 7.33 per cent. of the Existing Issued Share Capital.

Yours faithfully

MR DAVID GOLDER
Chairman

Notes:

1. Any member entitled to attend, speak and vote at the Extraordinary General Meeting is entitled to appoint a proxy (who need not be a member of the company) to attend, speak and vote in his/her place. Completion of a form of proxy will not affect the right of a member to attend, speak and vote at the meeting in person. A Shareholder may appoint more than one proxy to attend and vote at the meeting provided each proxy is appointed to exercise rights attached to different shares held by that Shareholder. Should you wish to appoint more than one proxy, please read carefully the explanatory notes accompanying the Form of Proxy. A member may appoint a proxy or proxies electronically by logging on to the website of the registrars, Computershare Services (Ireland) Limited: www.eproxyappointment.com. Shareholders will be asked to enter the Meeting Control Number, Shareholder Reference Number “SRN” and PIN Number as printed on your Form of Proxy and agree to certain conditions.

2. As a Shareholder, you have several ways to exercise your right to vote:
   a) By attending the Extraordinary General Meeting in person.
   b) By appointing (either electronically or by returning a completed Form of proxy) the Chairman or another person as a proxy to vote on your behalf.
   c) By appointing a proxy via the CREST System if you hold your Ordinary Shares in CREST.

3. To be valid, forms of proxy duly signed together with the power of attorney or such other authority (if any) under which they are signed (or a certified copy of such power or authority) must be lodged with the Company’s registrar, Computershare Services (Ireland) Limited, P.O. Box 954, Sandyford, Dublin 18 by not later than 11.00am on 17 November 2012. In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other registered holder(s) and, for this purpose, seniority will be determined by the order in which names stand in the register of members.

4. The Company, pursuant to Regulation 14 of the Companies Act, 1990 (Uncertified Securities) Regulations, 1996, specifies that only those Shareholders registered in the register of members of the Company as at 6.00pm on 17 November 2012 (or in the case of an adjournment as at close of business on the day which is two days before the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of Ordinary Shares registered in their names at the time. Changes to entries in the register after that time will be disregarded in determining the right of any person to attend and/or vote at the meeting.

5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST Proxy Instruction must be properly authenticated in accordance with Euroclear (UK and Ireland) Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Computershare Services (Ireland) Limited (ID 3RA50) by 11.00am on 17 November 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Computershare Services (Ireland) Limited is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear (UK and Ireland) Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the CREST Regulations.
